

Press Release July 2024 - GridPower Connectors

Shenzhen Power Connection Co., Ltd. („**Gridpower**") is a professional manufacturer of power connectors and cable assemblies. The company integrates R&D, production, sales and after-sales service to provide customers with integrated solutions for connection systems. The company has two manufacturing plants and is ISO certified. The company has all necessary certificates like UL and ULC, TÜV, REACH, RoHS. GridPower is currently presented by distributors in Asia and EMEA.

We would like to introduce our wide range of new PSF connectors which are water-proof (IP67) with up to 4 power and 8 signal contacts.

These connectors are for applications like agricultural lawn/garden equipment, material handling and automation, marine and industrial power applications

Power contacts carry from 75 Amps to 120 Amps, 600V AC/DC and have up to 8 signal contacts, locking mechanism and sealed.

More info on the website or visit us in Hall B2.776.
