

Press Release April 2024 - GridPower Connectors

Shenzhen Power Connection Co., Ltd. („**Gridpower**“) is a professional manufacturer of power connectors and cable assemblies. The company integrates R&D, production, sales and after-sales service to provide customers with integrated solutions for connection systems. The company has two manufacturing plants and is ISO certified. The company has all necessary certificates like UL and ULC, TÜV, REACH, RoHS. GridPower is currently presented by distributors in Asia and EMEA.

We would like to introduce our wide range of new AVG connectors („automated guided vehicles“).

These connectors are for applications like automatic battery charging, rack & back panel, UPS, other power equipment.

Power contacts carry from 35 Amps to 200 Amps, 600V AC/DC and have up to 10 signal contacts, possible spring-loaded.

More info on the website or visit us at Hall B2.776.
